Prices of Phoenix Mecano make **ALUFORM** enclosures (Indigenous)

8-Jul-13

Rose's Aluform enclosures are stylish, diecast aluminum enclosures specifically designed for rugged electronic instrumentation applications. Aluform enclosures feature an attractive beveled lid and are designed with a lower profile height than Rose's standard diecast aluminum 01 series housings. Internal mounting bosses in the base and lid provide convenience for component installation. A watertight Aluform enclosure includes a powder-coat painted diecast base and lid, captive stainless steel lid screws and a PU gasket as the standard configuration
